Ministry Analysis

Tiago

– Website, Moments and Networking Event

- The Website is on schedule to launch on Ash Wednesday. We will see if it is affordable to have a parishioner sign up as part of that launch. Perhaps this will have to come a bit later.
- There is a youth committee in place to create the youth sub-site.
- Joe Kelley has provided Tiago a tentative schedule of ministry moments for the year. It includes grouping some of the ministries together and excluding some that don't want/need a ministry moment.
- The ministry networking workshop will be conducted on March 5 in the afternoon and conclude with participants attending Mass. Tiago may reconstitute the stewardship committee to help put this together.

Council Membership Update

Fr Joe

- Fr approached a parishioner about joining the council but they declined due to other commitments.

Council (Pastoral and Finance) Member Discernment Process and Calendar

A calendar for our council discernment process was established: We are looking for 3 new members for each council.

4/3 – publish in bulletin/website – make slips available and also allow a website based nomination

4/10 - announce at mass during ministry moments and have council members present to answer questions (from both councils) – again slips will be present for use

4/17 –final Sunday for nominations

Finance Council discernment process is to be determined.

For Pastoral Council:

5/4 and 5/14 – discernment meetings for pastoral council – during the first meeting, we'll ask for nominees to address some specific questions including what they would bring to the council and then in the second meeting we'll try to determine which nominees will be council members (method is TBD depending on numbers)

5/17 – will be date the new members first attend a council meeting

Youth Center Board Update

Julie Andrist / Greg Sherman

- Greg will take a turn being the pastoral council representative to the youth center board.
- Volunteers have stepped forward to help Angie with the Valentines Day and St Patrick's day celebration. Plus, they have a volunteer to run the Saturday basketball program.
- They have several candidates for the new youth activities director position.
- There were discussions of giving the new youth staff member a chance to introduce some new ideas and launch these with their arrive in the Spring and use this to renew the call for additional volunteers.

Is there anything needed from the council regarding

Faith Formation Strategy and approach?

Fr. Joe and Tiago

- Father asked for prayers and consideration on how we can better serve the faith formation needs of the parish. This would likely result in changes to GIFT but Fr. wants to make sure we meet the needs of those who have grown through the GIFT program. We will discuss this further at our next meeting.
