

STEWARDSHIP IN ACTION

Five suggestions to live within your means:

1. Have a plan and stick with it.
2. Pay cash and you will spend less.
3. Watch the groceries by preparing more of your own food.
4. Buy used and then reuse “gently used” items for less cost.
5. Keep a price list & comparison shop to manage spending.

Jesus tells us that we shouldn't let worry about things that haven't happened — and may never happen — ruin our lives. *“Therefore do not be anxious about tomorrow; for tomorrow will be anxious for itself. Let the day's own trouble be sufficient for the day.”* — Matthew 6:34

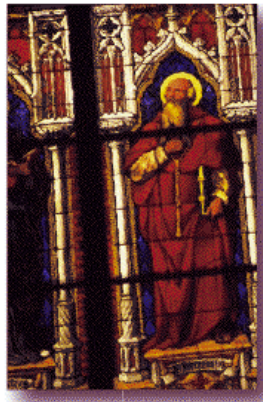

Give thanks for ... your family, your health, the weather, electricity, running water, clean air, your pets, your abilities, your friends, your work, the beauty of nature, your church, your faith, the love of God.

2009 Annual Diocesan Appeal

As we attempt to grasp the mystery of Christ's rising from the dead, let us pray that God inspire use to rise from our graves of indifference and apathy that we may see our Baptism as a commitment to live as Christ in our World today.

By sharing in the works of our diocese and the focus set by Bishop Harrington in the Annual Diocesan Appeal, we are being the hands, feet, mind and heart of Christ in our world today. Have you made your pledge/gift?

Congratulations on nearing our goal. We have pledged 98.5% thus far.
Gifts made in excess of the goal are returned to Pax Christi and will be used toward our Prayer Garden project.
