*If you have cookies for that night, drop them off in the kitchen before going upstairs. Be sure to tell your parents which side of the altar you will be standing so they can get the best view.*

### Costume suggestions:

*Star Bearers:* make your own creatively decorated 10-12 inch diameter star. Please do not use glitter as it falls off and is difficult to vacuum. Children will hold stars while dressed in their "Sunday best."

*Angels:* white dress or wrap yourself in a sheet. Garland headband and angel wings

*Shepherds:* bathrobe or similar garment with dark pants and shirt underneath. Towel with a rope-type headband as a head covering. You may also carry a stuffed lamb.

*Wisemen and Wisewomen:* dress similar to shepherds. You may add gold accessories, crown, etc. but nothing too noisy or distracting, please. Also, bring a small, wrapped box as a present for baby Jesus.

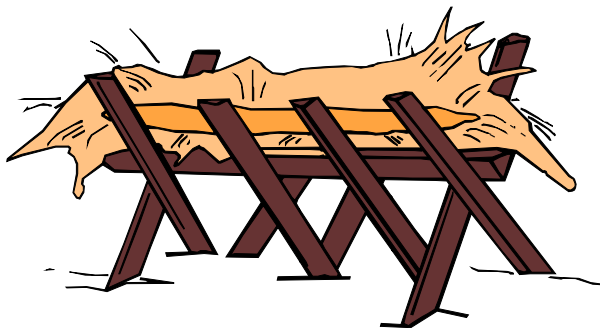

*Innkeeper:* dress similar to the shepherds, but add a ledger book or rolled up paper to look like a scroll. For a lady innkeeper, dress in a long skirt, add an apron and put hair in a scarf.

*Narrator:* Please wear your "Sunday best."

*Angel Gabriel:* wear white shirt and light colored pants, the church has the costume.

*Joseph:* same as shepherd

*Mary:* The church has the costume.
