

Pax Christi Christmas Nativity Program

Reflective readings:

Angels

Angels, Lord, your glory sing,
and praises be to God and King
This little infant, poor and small,
Is the Lord and God of all.

Shepherds

As shepherds watched the sheep by night,
The sky burst forth with radiant light,
"Your Savior's born," the angel said.
The shepherds knelt before His bed.

Wisemen and Wisewomen

Like the kings so wise and just,
In Jesus' words we hope and trust,
Help us to follow His holy light,
By doing what is good and right.

Star Bearers

Our love for all knows no bound,
It's what will make our Christmas sound,
When we shine with love, star bright,
We each become a Christmas light.

Songs: The congregation is invited to sing along)

O little town of Bethlehem
The First Noel
Do You Hear What I Hear?
Silent Night

Away in a Manger
Angels We Have Heard on High
We Three Kings
